

SHOOTING STRAIGHT

VALERIANO 'BOBIT' AVILA

Should we be scared of our government?

Our special presentation on our talkshow on Straight from the Sky, we help welcome to Cebu and introduce to you the International School for Culinary Arts and Hotel Management (ISCAHM) which is opening its doors in Cebu. It is without any doubt one of the best, if not the best culinary school in the country. This is why I sent my second daughter Chef Katrina to Manila to study there. But many Cebuanos are now in luck that ISCAHM has finally opened its doors here in Cebu which is a huge savings for those living here and for those who live in the Visayas or Mindanao, boarding homes are much cheaper here than in Manila.

On this show, we will also feature Chef Norbert Gandler, owner of ISCAHM cooking special dishes... something quite rare because he doesn't do this for the media but for his students. Also with us on this interview is Mr. Gandler's partner Chef Hans Schallenberg who will handle the Hotel Management side of the school. But for the culinary side, Chef Sean Mcsavaney will be on top of the students who wish to become future Chefs. So watch this very interesting introduction of ISCAHM in Cebu on SkyCable's channel 15 at 8:00 p.m. and replay at 9:00 p.m. on MyTV channel 28.
